**Reference Number: FOI - 1IY4X090-101007977512**

**Response provided under: Freedom of Information Act 2000**

**Request:**

In relation to Rectory Road, Lanivet;

1. Information on when the property and or adjoining properties had the cavity wall insulation installed
2. The type of insulation installed and if any guarantees on this work are still current.
3. The reason(s) you need the information if you think that this will help us to find what you want to know The property is suffering from internal damp areas, caused by failing cavity wall insulation

**Response:**

We can confirm that as the specific property has been sold, we do not hold any current information relating to it.

However, we can advise that the neighbouring properties had blown fibre insulation installed in 1996. This installation would originally have been covered by a 25-year guarantee, which has now expired.

It may be possible to obtain a copy of the original warranty documentation by contacting CIGA, <https://ciga.co.uk/>, directly. Please note that they may charge a fee for providing this information.
