

Reference Number: FOI-1YN3J5N2-101007829922

Response provided under: Environmental Information Regulations 2004

Request / Response

1. The total amount of money allocated by your council in the 2025/26 financial year specifically for remediation, repairs, or prevention of damp and mould issues in council-owned housing, including any budget or resource set aside in preparation for compliance with Awaab's Law.

£1,792,000

2. The total amount spent in the previous two financial years (2023/24 and 2024/25) on remediation, repairs, or prevention of damp and mould issues in council-owned housing (the same purpose of spend as in question 1).

2024-25 1,570,868

2023-24 537,263

3. The total number of damp and mould inspections completed in 2023/24 and 2024/25.

This information is not held. We do not have records of surveys completed , as during these periods we raised repair jobs which not all had definitive marker for Condensation , Damp and Mould.

4. The council's target number of damp and mould inspections for the entirety of 2025/26 financial year. If no formal target has been set, please confirm.

No formal target has been set.

5. If available, please provide a short description of how the 2025/26 budget allocation for damp and mould remediation to comply with Awaab's Law will be used (e.g. new staffing, inspections, repairs, new technology, tenant support, or other measures).

The budget for 2025/26 will be used to provide all repairs , staffing costs are included within the overarching establishment cost within CHL budget. If resident decants are required this is funded from a different budget line.
