1. BACKGROUND AND PURPOSE

- 1.1. Cornwall Housing Limited (CHL) manages over 2,500 garage sites that are made available to let, both to CHL tenants and private residents.
- 1.2. This Policy outlines how these garages will be let so that this is fair, open and transparent, and the expectations when a garage is returned. It also outlines the responsibilities of CHL and the tenant during the rental period.

2. CAN I RENT A GARAGE?

- 2.1 Garages will be allocated on a first-come first-served basis to applicants aged 18 years and over. Offers will be made and held pending successful completion of documentation and verification checks.
- 2.2 Most garages are suitable for small to medium sized vehicles, and you should check that your car will fit in the garage before signing the agreement. Garages are intended for private use only and not for commercial activities.
- 2.3 To be considered and apply for a garage, you will need the following:
 - a) **Two** forms of proof of your current address (utility bills, bank statements and tenancy agreements will be acceptable).
 - b) **One** proof that you own a vehicle.
 - c) The current vehicle registration, make and model associated with the garage.
 - d) A completed direct debit mandate to cover the four-weekly rent, or an accepted method of regular payment. There is no requirement to rent in advance.
 - e) Ability to travel to an agreed location to collect keys and sign the tenancy.
- 2.4 There are some situations when you may not be eligible to be considered:
 - a) If you have outstanding current or former rent arrears with CHL.
 - b) If you have outstanding sundry debts with Cornwall Council.
 - c) If there is evidence of previous breaches of tenancy linked to property condition or damage.
 - d) If you already hold a tenancy for two garages.
 - e) There is evidence of intended commercial or business use for the garage.
 - f) We may also ask for further information based on the individual location of lets. We may hold or withdraw your application at any time in these situations.
- 2.5 There are times when CHL also reserves the right to exercise discretion in the allocation of garages. For example:
 - a) Where garages are in hard to let areas, the use of the garage may be extended beyond the sole use for the garaging of a vehicle.
 - b) Where temporary arrangements are agreed in exceptional circumstances, such as to support family members where a resident has passed away and left

possessions in the garage.

- c) Where your main place of residence is not within Cornwall, and there are residents living within the area who have expressed interest in the garage.
- d) Where garages have been reviewed and a decision has been taken not to make this available to let, for example where a garage becomes financially unviable, fails to meet letting standards or where it is deemed a hard to let.

3. YOUR RESPONSIBILITY WHEN YOU RENT A GARAGE

- 3.1. A garage must only be used for the storage of goods or the garaging of a vehicle, owned by person/s living at the applicant's address or where the applicant is disabled and has a nominated driver. The garage must not be used for any other purpose except for occasional minor car maintenance to a vehicle.
- 3.2. Applicants must sign and adhere to the conditions of a garage tenancy agreement, which details the regulations and responsibilities of holding a garage tenancy. This includes making sure that the rent charged to the garage is paid on time and that you do not conduct a business from the garage, sub-let it or do anything which may be a nuisance or annoyance to others.
- 3.3. On the occasion that the garage is used for storage of goods permission must be obtained from CHL and such storage will entirely be at the risk of the tenant. You must not store anything inflammable or explosive in their garage. This includes easily combustible materials such as paper, cardboard and items that provide heat like a tumble dryer. You must adhere to all health & safety requirements.
- 3.4. At no times should the garage be used for inhabitation, by humans or pets/animals or any structural alterations be made to the building.

4. OUR RESPONSIBILITY WHEN YOU RENT A GARAGE

- 4.1 CHL will ensure that the rent charged to the garage is correct and that all methods of payment are openly available to you. You will be given a minimum of seven days written notice for any changes to rent.
- 4.2 We will work to manage rent arrears fairly and we understand there are times when we need to provide a service which is more personal based on individual circumstances and needs. In event of non-payment, we will pursue all possible avenues of recovery; this may involve repossession of the garage.
- 4.3 We will maintain the condition of the garage in line with our Repairs Policy, providing we receive reports on its condition, requests for repairs and access to complete these.

- 4.4 Where CHL undertakes a major repair on a garage, the charge may be waived for the period of the repair or we may offer the temporary use of a vacant garage in the locality, in which case the charge will still be due at the existing rate.

5. HOW DO I END MY GARAGE TENANCY?

- 5.1 You need to provide CHL with seven days written notice to end a garage tenancy. This can be in paper or electronic form. We will acknowledge receipt of this notice to confirm acceptance.
- 5.2 We reserve the right to inspect a garage on receipt of notice and to recharge for any damage incurred during the garage tenancy or left behind after its ended.
- 5.3 You must return the keys for the garage to an agreed location at the end of the tenancy. We will charge one weeks rent to the garage account if this does not take place.
- 5.4 If at the end of the week in which the keys were due, they are not received, we will change the locks on the garage to gain possession. We will notify you that a lock change has been completed and the cost will be recharged to you.

DIVERSITY & INCLUSION
