Complaint Handling Code Self-assessment form 26/27

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the Annual Complaints Performance and Service Improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes/No	Evidence	Commentary/ explanation
1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'</i>	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.1).
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 4.1 to 4.4).
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be recorded, monitored and reviewed regularly.	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.2). Requests for service or 'solved at source' enquiries received by the Complaints Team are logged and stored in the complaint files.

Code provision	Code requirement	Comply: Yes/No	Evidence	Commentary/ explanation

Landlords must not stop their efforts to address the service request if the resident complains.	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.6).
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.7).

Section 2: Exclusions

Code provision	Code requirement	Comply: Yes/No	Evidence	Commentary/ explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	Yes	Complaints Policy Complaints database	CHL's complaint policy satisfies this requirement (see 3.3). CHL's complaints database captures instances where a complaint has been refused.
2.2	A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include: - the issue giving rise to the complaint occurred over 12 months ago - legal proceedings have started - this is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court - matters that have previously been considered under the complaints policy	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.3).

Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.3 & 4.2).
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Yes	Complaints Policy Complaints Refusal template letter	CHL's complaint policy satisfies this requirement (see 3.4). CHL uses a refusal letter template to ensure these requirements are met.
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	Yes	Complaints Policy	CHL's complaint policy satisfies this requirement (see 3.4).

Low complaint volumes are potentially a sign that residents are unable to complain.	Yes	Complaint reporting New starter complaints training Complaint staff briefings	Complaint numbers are monitored on a weekly (internal only), quarterly and annual basis (Board and Tenant Forum).
