Complaints, Compliments, and Feedback

At Cornwall Housing, our customers are the heart of our work. We want to make sure you are happy with our service.

We try hard to make sure you get the right services, at the right time, at the right place.
But we also understand there are times when you may not be satisfied with our services.

If you are not happy, we want to know about it straight away so that we can try to fix the problem fast.

We are here to listen and learn. Your feedback will help us make our services better.

This Easy Read leaflet will show you how to make a complaint, leave a compliment, or give feedback.

Ways to Make a Complaint

You can also contact us online by filling out our complaints form on the "make a complaint" page of our website.

We will get in touch to discuss your complaint and what we can do to help.

- Through a local MP or Councillor.

After you make the complaint, we will get into contact with you. We want to make sure that we help you fix the problem(s) as fast as we can.

Where we can, we will work together with you to get you an answer or fix the problem.

The 2-Stage Fix:

If we cannot solve the problem straight away, it will go into this 2-stage fix:

Stage 1

When we get a complaint we will:

- Accept the complaint within 5 working days.
- Let you know who will be helping you to fix it.

- Confirm with you what your complaint is about.
- Ask you what result you are looking for.

- Call you to talk through the complaint and how it may be fixed.

- We will write to you within 10 working days from when the complaint is accepted.
- If we need more time, we will let you know and aim to answer you within a further 10 working days.

- We will ask you for as much information as possible to help us deal with your complaint.
- Only new information about a complaint that has already been made can be added at a later date.

Stage 2

Stage 2:

If the problem is not fixed it will progress to stage 2. We will:

- Accept the complaint within 5 working days.
- Let you know who will review your complaint.

- Confirm with you what the complaint is about.
- Ask you what result you are looking for.

- Call you to see why your complaint was not fixed at Stage 1 and what we can do to fix it now.

- Write to you within 20 working days of when we accept the complaint.
- If we need more time, we will aim to answer you within a further 10 working days.
